**COVERED CHARGES** - The charge determined by NetCare to be the maximum amount that it will pay for a covered service to a health care provider. Any applicable co-payment will apply to the Eligible Charge. The Eligible Charge will be the lesser of the actual charge of the negotiated charge for Participating Provider services. For non-participating provider services, the Eligible Charge will be the lesser of the actual charge or UCR in the geographic region where the service was rendered.

**DEDUCTIBLE** - Dollar amount applied to covered benefits only. Non-covered benefits are not applicable toward your annual deductible. The individual deductible does not apply toward the family deductible amount. Therefore, the entire family must meet the family deductible before First Dollar benefits apply.
